

Screeching Weasel, Fathead

Why don't you beat it, why don't you go away
You smelly butt why don't you go away
You're just a turd, why don't you go away
Sit on it nerd, why don't you go away
Dummy dummy dummy dummy dummy dummy up why don't you beat it
Why don't you go away

Why don't you beat it, why don't you go away
You little assface, why don't you go away
Your mom is calling, why don't you go away
Too cool for me, why don't you go away
Punky the fathead why don't you go away
Baby baby baby baby baby baby when you see me
Why don't you go away

Dummy dummy dummy dummy dummy dummy up why don't you beat it now?
Why don't you go away

You think we suck, why don't you go away
Come to the show, why don't you go away
We got your money, why don't you go away
So who's the dope, why don't you go away
Punky punky punky punky punky punky go fart in a puddle
Why don't you go away
Beat it
Scram
Go away
(Hey)
