

# Screeching Weasel, Hey Suburbia

Try and tell us our future's at stake  
We're gonna slamdance on your grave  
Cause we don't give a shit about tomorrow  
Say we're a bunch of lazy bums  
We just wanna act stupid and have some fun  
Cause we don't give a shit about tomorrow

Hey suburbia  
Hey suburbia  
Hey suburbia  
We're in love with you

Won't end up like you want us to be  
But so what cause we're always gonna be happy  
Cause we don't give a shit about tomorrow  
Tell us we'll regret those things we did  
But we're just gonna give you a big wet kiss  
Cause we don't give a shit about tomorrow
