

Screeching Weasel, Hey Suburbia (Demo Version)

Try and tell us our future's at stake
We're gonna slam dance on your grave
Cause we don't give a shit about tomorrow
You say we're a bunch of lazy bums
We just wanna act stupid and have some fun
Cause we don't give a shit about tomorrow
Hey suburbia (x3) We're in love with you
What could happen to us down the road?
We don't ask the question cause the answer's no
Cause we don't give a shit about tomorrow
This is where we're gonna live the day
And look us in the eye and we're stare away
Cause we don't give a shit about tomorrow
Hey suburbia (x3) We're in love with you
