

# Screeching Weasel, I Need Therapy

I need therapy  
I need therapy I need therapy oh yeah  
I need therapy I need therapy oh yeah  
My girlfriend left today  
When I said "But I love you babe"  
She just kicked me in the face  
Oh yeah I'm so depressed - I need a shrink!  
I need therapy I need therapy oh yeah  
I need therapy I need therapy oh yeah  
O.D.'d on The Ramones  
Cause I just sit around at home  
And bitch and whine cause I'm alone  
Oh yeah I'm so depressed - I need a shrink!  
I need an institution - think!  
There ain't no solution - think!  
The U.S. Constitution - think!  
I need therapy I need therapy oh yeah  
I need therapy I need therapy oh yeah  
O.D.'d on Mr.T  
I sit around and watch TV  
And now I think I got VD  
Oh yeah I'm so depressed - I need a shrink!
