

Screeching Weasel, I Wanna Be With You Tonight

I just know your name
but still just the same
I see you in my dreams at night
I see you in my food when I eat
I see your pretty mug I think that
I'm in love
If you kissed me I would blow up
If you kissed me
you would throw up
I try to say don't walk away
from me in this condition
I sit and look at you and think
of what you do after school
when you go home and leave
me standing all alone here
And I try to speak
My mouth's dry
I'm weak
I'm sure you've got a boyfriend and
he's probably a lawyer or something
I try to say don't walk away
from me in this condition cause
I wanna be with you tonight
I can't move to the other side of
the room and you're ignoring me
You must think I'm gay or
something because I can't find
a way to ask you out but I'm trying
I'm trying I'm trying I'm trying
