

Screeching Weasel, I Will Always Do

The time is now to tell you that i'm glad, the time is now to say you'll always shine on the sunny side

I took off all past pictures from the wall, and now you're by my side and i know what i was looking for

Don't you scream and don't you cry. don't you ever say goodbye oh wait for me i'll wait for you yea,

i'm gonna be sad no more as long as you'll be my girl.

the last love song that i'm gonna sing, if i lose you i'd lose everything. the last love song there'll be no

chorus

i'm gonna be sad no more as long as you'll be my girl.
