

Screeching Weasel, My Right (Demo Version)

my right to say what i want
and think the way i wanna think.
my right i wannna speak my mind
my right to yell my right to scream.
my right and no one ever gunna tell me what i have to do
my right my life the way i want it
i dont care about your little world and
i cant believe your tellin me
what to believe get away from me
and i cant believe your tellin me
whats good for me how do know whats good
my right
my right
no matter what i do to you
its always one big mistake
well im sick of you
i know im right
your full of bullshit
your a fake
my right
my life my mind my soul.
my body my existence means
that i dont have to listen to you
its my right cause im a human being
i cant believe your tellin me
what to believe get away from me
and i cant believe your tellin me
what to believe get away from me my right
my right to say what i want
and think the way i wanna think.
my right i wannna speak my mind
my right to yell my right to scream.
my right
my life my mind my soul.
my body my existence means
that i dont have to listen to you
its my right cause im a human being
i cant believe your tellin me
what to believe get away from me
and i cant believe your tellin me
what to believe get away from me
and i cant believe your tellin me
whats good for me how do you know whats good
and i cant believe your tellin me
whats good for me how do you know whats good
my right
