

Screeching Weasel, Pretty Girls Don't Talk To Me

Pretty girls oh oh yeah see them walking down pretty street
But you know pretty girls oh oh yeah never wanna talk talk to me
Pretty girls pretty girls pretty girls pretty girls
don't talk to me
Pretty girls pretty girls pretty girls
don't talk to me

Oh yeah I'm getting old and fat and it seems
That everywhere I turn pretty girls just pass me by and stare
right through me

Pretty girls...

Pretty girls oh oh yeah look fresh and bright and pure and so clean
But you know pretty girls oh oh yeah would never associate
with scum like me

Pretty girls...

Pretty girls don't talk to me (x4)
