

Screeching Weasel, Wanna Die

i sit and watch the tv news to see if i can find
some clues i know the world is all fucked up
but it looks so slick in a one minute spot wanna
die i don't wanna live i go to school -
what a fucking joke tellin me things i don't wanna
know they don't give a shit about me at all my
teachers have got me by the balls there's no
reason to live anymore we're all gonna die in
the third world war they try to train me by
society's rules well fuck em all and fuck you too
