

Screeching Weasel, Your Name Is Tatooned On M

well I know that our love is for real
but I thought you should know
how I feel
so you're not going anywehre
won't fad away
cause your name is tattooed
on my heart
and i'll always be true
don't forget that I don't forget you
wherever I go what I do
and should you slip my mind
i'll have this to remind me
your name is tattooed on my heart
and i'll always be true
am I such a fool
to show my love for you
I know it's no mistake
and no this thing is not a fake
don't forget that I won't forget you
wherever I go what I do
and should you slip my mind
i'll have this to remind me
your name is tattooed on my heart
and i'll always be true
