

Screw, The Previous Night Of Hell

The sun lights me up again today.

Kawaki kitta kono chi ni samayoi mizu wo motomeru

Neither life nor death matters here.

Kami ni sura mihanasareta ore ni sentaku no yochi wa nai

Migi he keirei hidari he keirei mae ni keirei the worship

Hidari he keirei migi he keirei mae ni keirei the worship

Please die... for me suicide...

Mourou to suru ishiki no naka nouri wo kasumu show delight...

Seiki mo kyouki ni nita mugen no holy life...

Wow-

"BERGHOF1 kara miwatasu nagame wa saikou kai?"

Please don't murder...

Moudoku furasete ashita wa nai

The faith that there is in your hand.

Kuso ika no omaera no sakebi wa munashii inu no tooboe

Migi he keirei hidari he keirei mae ni keirei the worship

Hidari he keirei migi he keirei mae ni keirei the worship

Please die... for me suicide...

Mourou to suru ishiki no naka nouri wo kasumu show delight...

Seiki mo kyouki ni nita mugen no holy life...

Wow-

"YONINA WO KIZANDA IMA ANATA WA NANI WO OMOU?"
