

Screw, Wailing Wall

Kudakareta risou, ubawareta kibou naze kono mi ni kurikaesu no ka?
Wasureta namida, kieta egao wa mou imasara yomigaeru koto wa nai
Ano koro wa modorenai
Donna kotoba mo donna omoi mo ukeirezu ni tozashita kokoro
Towa ni nemureba dareka kono itami ni kizuite kureru no darou ka?
Kurayami ni saku yozora no hoshi wa garakuta
Dorai na hitomi ni hikari wa torokete
Memai shita yuragu sekai e
With the back to the wall
Fear to the death and regrets to the life
In dazzling morning, I can say good bye
Nee oshiete yo kodou o atsuku yusaburu you na nanika o...!
To "the brave new world" for "the Wailing Wall";
Meikou ni chiru kokyuu no hana wa utakata
Urunda hitomi wa yami e to nomarete
Memai shita yuragu sekai e...
With the back to the wall
Fear to the death and regrets to the life
In dazzling morning, I can say good bye
Nee oshiete yo kodou o atsuku yusaburu you na nanika o...!
To "the brave new world"; for "the Wailing Wall";
