

Scribe, Stop The Music

(Scribe) And I hope you feel my pain
Hope you don't forget my name
For the cause I claim
Reason I came, tell me, was in all in vain
I walk all in chain
For the midnight rain I sing
And the man would say
(Stop the music playing loud and clear)
Instead I wanna hear
Oh lord that I wanna hear
Buts its loud and clear
And its deep inside my soul
(For dam nations near)

(PNC) yeah raise your hands say my name and let it rain X4

(Scribe) And I refuse to lose
No I never been a type to quit I
Il properly give it now
And just turn back around
And that's one of many differences B
ecause I don't care what the distance is
I told you ill take it all the way
I couldn't just walk away
And just pretend like I don't have more to say
(Stop the music playing loud and clear)
Instead I wanna hear
Oh lord that I wanna hear
Buts it's loud and clear
And its deep inside my soul
They can't hold me down no more they got to let me go .

(PNC) raise your hands say my name and let it rain X4

(Scribe) Cause I know what I got to do
I couldn't stop now even if I wanted to
They told me give it up its impossible
And if I bury my head in the sand like the ostriches do
And I'm young and I still got a lot to prove
Cant stop won't stop unstoppable
Elevated broken down all obstacles
Until I head a voice from other side of the room
Telling me to
(Stop the music playing loud and clear)
Istead I wanna hear
Oh lord that I wanna hear
Buts it's loud and clear
And its deep inside my soul T
hey can't hold me down no more
They got to let me go
(For dam nations near)

(PNC) yeah raise your hands say my name and let it rain X8
