Its the Crusada represent city to shine
(reckonize the way we drop this universal)

Its the Crusada tight like Nathan and Arron Mauger
Do it first talk later
I'm runnin things like i'm Robbie Deans I got a champion team
And you can hate it if you want but i am livin my dream
I'm on the road to the Holy Grail and I will never fail

You best improve your game or get burnt by the Cantabery Flames
