

Scritti Politti, Small Talk

Small talk
Small talk
Small talk

Ooh we're tired of prophesying
We heard the word was good but it's stupefying
Small talk get up and do some death defying small talk

I heard a whisper
that careless talk costs more than you bargained for
In seventh heaven if a thing's worth doing it's worth doing badly

Small talk oh baby it's so inconsequential
Everybody heard enough about your big potential
Small talk oh no information given small talk

Small talk oh well your such a little socialite
We heard your chit chat now you get it up and get it right
Small talk oh show us what your made of baby small talk
