

# Sea Cruel, A Simple Goodbye

i can see that you  
are almost over me

gonna make it simple for ya  
wont stand in your way baby  
gonna set you free my darling  
gonna cut you loose now now now  
wont be the broken hearted  
lets finish what we started  
wont try and make you stay  
you wont even have to say

bye-bye  
bye-bye  
bye-bye

change can be so cool  
but so unneseserry  
i can see that you  
are almost over me  
gonna make it simple for ya  
wont stand in your way baby  
gonna set you free my darling  
gonna cut you loose now now now  
wont be the broken hearted  
lets finish what we started  
wont try and make you stay  
you wont even have to say

gonna make it simple for ya  
wont stand in your way baby  
gonna set you free my darling  
gonna cut you loose now now now  
wont be the broken hearted  
my dearly departed  
wont try and make you stay  
you wont even have to say

bye-bye  
bye-bye  
bye-bye

bye-bye  
bye-bye  
bye-bye

bye-bye  
bye-bye  
bye-bye

bye-bye  
bye-bye
