

Sea Of Green, Falling Deeper

Fighting My Fear Never Ending
Slipping Inside My Mind Bending
I Wish I Could Feel Like You Do Inside
I Need Someone On The Outside

Someone Help Me Cause I'm Falling Deeper
And I Can't Keep Calling To You

Drowning Slowly In My Sadness
Sinking Lower Into Madness
Why Don't You See Me Reaching Out To You
When Will This Hell Ever Be Through

Someone Help Me Cause I'm Falling Deeper
And I Can't Keep Calling To You

Falling Fast Now I Feel Helpless
Praying For Your Gentle Caress
I Want To Forget All Of This I Know
I Wish I Could Just Let This All Go

Someone Help Me Cause I'm Falling Deeper
And I Can't Keep Calling To You
