

# Sea Of Green, Life

Sometimes I Want To Run And Hide  
But Today Luck's On My Side  
Everything's Great Inside I Feel Good  
Like The Way I Knew I Always Would

This Is The Best  
Day Of My Life  
Nothing Will Change  
How I Feel  
This Is The Best  
Day Of My Life  
It Might Not Last  
And That's Ok

Those Times I Feel So Down And Blue  
I Push On And See Them Thru  
Everything's Fine Inside I Feel Good  
Like The Way I Knew I Always Could

(Repeat First Chorus)

Those Time You Feel So Down And Grey  
Just Move On And Start Your Day  
Everything's Fine Inside You Feel Good  
Like The Way You Knew You Always Would

This Is The Best  
Day Of Your Life  
Nothing Will Change  
How You Feel  
This Is The Best  
Day Of Your Life  
It Might Not Last  
And That's Ok
