

Seafret, Seafret

The birds have left the trees
The lap is onto me
I feel you lying there all on your own

We got hazy the hard way
All those words that we exchanged
Easy than you wonder things get talk

Cause in my heart and in my hand
I've never taken back the things I send, so I'm both
"I feel it coming down", she said
In my heart and in my hand
Tell my why this has to end
Oh, no, oh, no

I can't save us
My Atlantis, we fall
We built this town on shaky ground
I can't save us
My Atlantis, oh, no
We build it on to pull it down

Now all them birds have fled
The hurt has left me scared
Losing everything I've ever known
It's all become too much
Maybe I'm not built for love
If I knew that I could reach you, I would call

It's in my heart and in my hand
You can't take back the things you said, so I'm both
"I feel it coming down", she said
In my heart and in my hand
Tell my why this has to end
Oh, no, oh, no

I can't save us
My Atlantis, we fall
We built this town on shaky ground
I can't save us
My Atlantis, oh, no
We build it on to pull it down

And we build it up
And we build it up
And we build it on to pull it down
And we build it up
And we build it up
And we build it on to pull it down

I can't save us
My Atlantis, we fall
We built this town on shaky ground
I can't save us
My Atlantis, oh, no
We build it on to pull it down
