

Seal, Lost My Faith

We both know
That the harder we try
Can't understand it
We're so caught up in the reasons why
Station to station
And we couldn't even say their names
I realized it
Was just a game
I had lost my faith
Long ago
I had lost my faith
Long ago
I can see
That if I stay close to your side
All of my pressures now
I know they will subside
If ever you need me
All you gotta do is fall
I hear you sayin'
That you got it all
I had lost my faith
Long ago
I had lost my faith
Long ago
A stranger so it seems
I lie here for you touch
But what I'd like to know
Is why do I want you so much
You say that's all the same
All through my life
I have
Waited for you
And
Have you waited too
are you feeling what I'm feeling
Ohhhh.... I
I had lost my faith
Long ago
I had lost my faith long ago
I had lost my faith
Long ago
I had lost my faith
Long ago
I lost my faith
I lost my faith
I lost my faith
Ohh love
