

# Seal, No Easy Way

Close your heart  
Close your eyes  
Fake a kiss and  
Say goodbye  
When you know it's not the way  
And you're leaving home today  
Anger rises  
The deed is done  
Just to say you  
Can't go on  
When you know that's not the way  
Yet you're leaving home today  
If I see a tear in your eye  
It's an easy way  
To say goodbye  
You're afraid  
So you lie  
Sometime this will get you by  
But you know that's not the way  
And I trust you anyway  
Harmony  
But not for long  
Plain to see  
We're doing something wrong  
Even though you've gone away  
I still love you  
But if I see a tear in your eye  
It's an easy way  
To say goodbye oohhh  
To say goodbye oohhh whoa bye  
To say goodbye  
Sent you rilke  
By hand  
Hoping you would understand  
Don't you know that's not my way  
I was missing you today  
Anger rises  
The deed is done  
Just to say that  
You can't go on  
When you know that's not my way  
'Cause I still love you  
After all we've  
Said and done  
Can't you see  
We can't go on  
'Cause God knows there's no easy way  
To say goodbye
