

Seal, Touch

Without your touch I've been lost without the thing I love
Without your kiss I've been dreaming of the things I miss

Your eyes, your mouth, your lips, your touch
(Your eyes), (your mouth), (your face), (your touch)

Who am I (Who am I)
Not to take (I'm not to take)
Of what will be (Of what will be), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
Of what will be (Will it show) let it be

Each day I miss, I remember times I use to kiss
Your mouth (Your mouth), your eyes (your eyes), your face (your face), your touch (your touch)

Who am I (Who am I)
Not to take (I'm not to take)
Of what will be (Of what will be), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
Of what will be (Will it show) let it be

(Still I need to know), (What time it sell), (Will real it show)
(Still I need to know), (What time it sell), (Will real it show)

And I say
Who am I (Who am I)
Not to take (I'm not to take)
Of what will be (Of what will be), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
Of what will be (Will it show) let it be

Who am I (Who am I)
Not to take (I'm not to take)
Of what will be (Of what will be), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
Of what will be (Will it show) let it be

Your mouth, your eyes, your face, your touch
Your touch, your touch, your touch, your touch.
