

# Seals and Crofts, Put Your Love In My Hands

(lyrics by Lana Bogan; music by Walter Heath, 1975)  
From the album SUDAN VILLAGE (1976).

Look around your life. Are you satisfied with what you are?  
Don't you think that you'd be happier with me? Look inside yourself.  
Won't you take a searching moment to see,  
If you might be much better off with me?

Put your love in my hands. Put your love in my hands.  
Don't put off all the plans that I have made for you and me.  
Put your love in my hands. Just put your love in my hands.  
Unless you try it you can't know how good it will be.

Look today on the face. Forget the time they left you alone.  
And take a love that you can call your own.

Put your love in my hands. Put your love in my hands.  
With just a little pain and a little grief, what more can you need?  
Put your love in my hands. Just put your love in my hands.  
And I promise you'll be happier and better off with me, better off with me.  
Put your love in my hands. Just put your love in my hands.  
With just a little pain and a little grief, what more can you need?  
Put your love in my hands. Just put your love in my hands.  
And I promise you'll be happier. Put your love, love put your love in my hands.
