

Seals and Crofts, Sunrise

(lyrics and music by Brian Whitcomb and Grant Gullickson, 1977)

From the albums TAKIN' IT EASY (1978), COLLECTUS INTERRUPTUS (1978) and TODAY (1998).

Sunrise, warm in your eyes. Blue skies, far as you see.
One day, you'll know what the future means.
And carry your broken dreams through the valley. And rest in their peace.

One fine, beautiful day. You'll find, more than you need.
You'll see, the writing is on the wall. Plainly telling you
It's all waiting for you. It's all there for free.
It's all waiting for you. It's all there for free.
(repeat first verse)

It's all waiting for you. It's all there for free.
It's all waiting for you. It's all there for free.
