

Sean Dowdell and His Friends, God's Afraid

Maybe someday I'll find my soul
Maybe sometimes i'm out of control
I lost my fear and all my dignity
Maybe god is just afraid of me
I gave up everything and now I'm alone
I should have listened to what you were told
Although everything I had is gone
I went from insane to living to long
Now my feet are standing free
Facing days of unknown dreams
Children play the razor's blades
Cut thy throat life washed away
Why can't I
Why can't I fall
Why can't I
Why can't I fall
Why can't I
Why can't I fall
Why can't I
Why can't I fall
Gods afraid of me yeah
Gods afraid of me yeah
Why can't I
Why can't I fall
Why can't I
Why can't I fall
Why can't I
Why can't I fall
Why can't I
Why can't I fall
