Sean Kingston:

Im From the Ghetto
you aint seen the slums
till ya seen were im from
Everydays a homicide
niggaz sleep with their gun
Fellaz running wrekcless
its hectic
their objectives
holding niggaz down
they aint trying to see us exit
im from the land of gun tookers
and weed smokers
Poverty is sickness
plus them grew vicious
You dont want your juice
to be dripping on a late night
Buck 50 till ya feds light

[chorus][x2]

Those boiz got the corner popping

hungry niggaz they corner hopping
trying to get any way 2 fit in
pop the trunk and it
looks like a gun store
f**k around killers kick in
ya front door
stop the bloodclut crying
ring the alarm
and the slugs start flyin
and I tell that
people keep dying
whats the cost
gas price to high
they aint taking shorts

[Bridge]

In the ghetto

Leak all those grids now
In The Ghetto

born a battyman
people jusa suffer yo
In the ghetto
badman run wild
la la show times
Leak all those grids now

In The Ghetto

born a battyman
people jusa suffer yo
