Hey, hey, haha
Sean Kingston, Paula D

(Chorus)

Theres nothing in this world
Theres not another girl that could satisfy my needs
Theres nothing in this world
Theres not another boy that could make me feel so sweet
Cos me love life's so right
when she hold me so tight, how she kiss me goodnight
Cos he fills up my life
Like the sun, he shines bright
Boy, come with me now

The first night me meet her
Yes me seniorita me never want to leave her no
Because the gal look sweet an nothing compare how sweet
And me really want to take her home
Cos she look nice and is a one of a kind
When me look up in her eyes then she got me mesmerised
Picture perfect like a Kodak moment
When she kiss me goodnight and she feelin up on me
We been there from the jump, never front, never stunt
Never done what a average girl done
And I can tell by her body language
She feels my emotions
And got me anxious
So that me type
me and me angel
And me really have to let her know
Shes the woman of my life
Oh yes she sound bright
So please let the chorus go

(Chorus)

Theres nothing in this world
Theres not another girl that could satisfy my needs
Theres nothing in this world
Theres not another boy that could make me feel so sweet

Cos me love life's so right
when she hold me so tight, how she kiss me goodnight
Cos he fills up my life
Like the sun, he shines bright
Boy, come with me now

I Saw you from across the room
Looking so fly I gotta talk to you, yeah
It didnt take a sec to see
That youre the only one who wanna rescue me
I cant lie, boy youre my type of guy
And theres nothing in this world that can stop me from loving you

Girl you put me in a good mood
And me love the way you flex too
We could chill girl, after school
Cos I aint trippin girl its up to you
And since then weve been inseparable
Cos I did everything to get next to you
Since day 1 you know I stay true
So ever since then its been me and my boo

(Chorus)

Theres nothing in this world
Theres not another girl that could satisfy my needs
Theres nothing in this world
Theres not another boy that could make me feel so sweet
Cos me love life's so right
when she hold me so tight, how she kiss me goodnight
Cos he fills up my life
Like the sun, he shines bright
Boy, come with me now

(Sean Kingston)

Theres nothing in this world, Theres nothing in this world
