

Sean Lennon, Heart & Lun

Lately my heart and lung are aching
Sometimes i feel that all that i have
To survive

Maybe all that i know is changing
Sometimes i feel that
All you can do
Is to try

Last night
I had a dream an aeroplane
Fell out of the sky
Lately my memories are hazy
I can't remember how the story ends
Lately my heart and lung are aching
Sometimes i feel that all that i need is a friend

Last night i had a dream an aeroplane
Fell out of the sky

I have my doubt

[Instrumental break]

Last night i had a dream an aeroplane
Fell out of the sky
