

Sean Lennon, Heart & Lung

Lately my heart and lung are aching
Sometimes I feel that all that I have
To survive

Maybe all that I know is changing
Sometimes I feel that
All you can do
Is to try

Last night
I had a dream an aeroplane
Fell out of the sky
Lately my memories are hazy

I can't remember how the story ends
Lately my heart and lung are aching
Sometimes I feel that all that I need is a friend

Last night I had a dream an aeroplane
Fell out of the sky

I have my doubt

...instrumental break.....

Last night I had a dream an aeroplane
Fell out of the sky
