

Sean Lennon, Parachute

Love is like an aero plane
You jump and then you pray
The lucky ones remain
In the clouds for days
If life is just a stage
Let's put on the best show
And let everyone know

[chorus]

Cause if I have to die tonight
I'd rather be with you
Cut the parachute before the dive
Baby don't you cry
You have to bring me down
We had some fun before we hit the ground

Love is like a hurricane
You know it's on the way
You think you can be brave
Underneath the waves
If life is just a dream
Which of us is dreaming
And who will wake up screaming

Cause if I have to die tonight
I'd rather be with you
Cut the parachute before the dive
Baby don't you cry
You have to bring me down
We had some fun before we hit the ground

Cause if I have to die tonight
I'd rather be with you
Cut the parachute before the dive
Baby don't you cry
You have to bring me down
We had some fun before we hit the ground

Cause if I have to die tonight
I'd rather it was you
Cut the parachute before the dive
Baby don't you cry
You have to bring me down
We had some fun before we hit the ground
