Beyoncé:

Baby boy you stay on my mind

Fulfill my fantasies

I think about you all the time

I see you in my dreams

Baby boy not a day goes by

Without my fantasies

I think about you all the time

I see you in my dreams

Ah oh my baby's fly baby go

Yes no hurt me so good baby oh

I'm so wrapped up in your love let me go

Let me breathe stay out my fantasies

Sean Paul:

Ya ready gimme da ting dat ya ready get ya live

And tell me all about da tings that you will fantasize

I know you dig da way me step da way me make my stride

Follow your feelings baby girl because they cannot be denied

Come check me in a night and make we get it amplified

Me have da ting to run da ship 'cause I'm go slip and I'm go slide

And in the words of love I got ta get it certified

But I give you da toughest longest kinda ride – girl

Beyoncé:

Baby boy you stay on my mind

Fulfill my fantasies

I think about you all the time

I see you in my dreams

Baby boy not a day goes by

Without my fantasies

I think about you all the time

I see you in my dreams

Picture us dancing real close in a dark, dark corner of a basement party

Every time I close my eyes it's like everyone left but you and me

In our own little world

The music is the sun

The dance floor becomes the sea

Feels like true paradise to me

Baby boy you stay on my mind

Fulfill my fantasies

I think about you all the time

I see you in my dreams

Baby boy not a day goes by

Without my fantasies

I think about you all the time

I see you in my dreams

Baby boy you stay on my mind

Baby boy you are so damn fine

Baby boy won't you be mine?
Baby boy let's conceive an angel x2

Sean Paul:
Top, top – girl
Me and you together is a wrap dat – girl
Driving around da town in your drop top – girl
You no stop shock – girl
Little more da dutty, we'll rock dat world x2

Beyoncé:
Baby boy you stay on my mind
Fulfill my fantasies
I think about you all the time
I see you in my dreams

Baby boy not a day goes by
Without my fantasies
I think about you all the time
I see you in my dreams
