Follow your feelings baby girl because they cannot be denied
Come check me in a night and make we get it amplified

Baby boy you stay on my mind Fulfill my fantasies I think about you all the time I see you in my dreams

Baby boy not a day goes by Without my fantasies I think about you all the time I see you in my dreams

Picture us dancing real close in a dark, dark corner of a basement party Every time I close my eyes it's like everyone left but you and me In our own little world The music is the sun The dance floor becomes the sea Feels like true paradise to me

Baby boy you stay on my mind Fulfill my fantasies I think about you all the time I see you in my dreams

Baby boy not a day goes by Without my fantasies I think about you all the time I see you in my dreams

Baby boy you stay on my mind Baby boy you are so damn fine Baby boy won't you be mine? Baby boy let's conceive an angel x2

Sean Paul:
Top, top – girl
Me and you together is a wrap dat – girl
Driving around da town in your drop top – girl
You no stop shock – girl
Little more da dutty, we'll rock dat world x2

Beyoncé:

Baby boy you stay on my mind Fulfill my fantasies I think about you all the time I see you in my dreams
