You say you love, say you love me

But youre never there for me, yeah, mmm...hmm...

Youll be cryin, slowly dyin

When I decide to leave, oh, oh

All we do is make up

Then break up

Why dont we wake up

And see

When love hurts

It wont work

Maybe we need some time alone

We need to let it breath

(Chorus)

so what's that supposed to be about baby (breathe)

ya'll free up ya mind and stop actin crazy (breathe)

reminisce about all the good times daily (breathe)

why you try pull that got me actin shady

Youre only lonely when your homey

Aint got a ride or no loot, yeah, uh-huh

Then comes the drama

Some other girl is claimin shes goin out with you,

hmm...hmm...

All we do is make up

Then break up

Why dont we wake up

And see

When love hurts

It wont work

Maybe we need some time alone

We need to let it breathe

(Chorus)

so what's that supposed to be about baby (breathe)

ya'll free up ya mind and stop actin crazy (breathe)

for real you make me know and

i will be there for you

but me know im not a fear to you

stand up like a man and not be there cuz i care for you

long time tellin you

no other girl can compare to you

and if i live without

im gonna share my life and there for you

say you want to breathe

im still not im exhalin'
