

# Sean Paul, Dynamite (ft. Sia)

Dynamite, oh, dynamite,  
You and me are meant to be  
Dynamite, oh, dynamite,  
So take me in your arms, baby!  
Dynamite, oh, dynamite,  
Light me up and set me free

Baby girl, you're the bomb-diddy-bomb,  
The only one for me  
Over and over, I tell you this, girl,  
That you no miss no day  
Lovin' your style and your profile, girl,  
And the way how you get busy  
Do it, girl!
