

# Sean Paul, How Deep Is Your Love (Feat. Kelly Rowland)

Oh whoa whoa,  
Oh whoa whoa,  
Oh ,oh whoa whoa

[Sean Paul ]

Yow , yow  
Well woman how do you love me , a do it  
You a bubble it , bubble it  
An you say that me know see it me will  
Trouble it , trouble it  
So putt it on repeat my girl  
A you when me need in my world ?  
Girl you are hottest thing around here  
One thing what you know me well prepared  
Give me the thing girl and make me  
Shift it in gear,  
She pulls me close up , and give me the stare  
She whispers in my ear.

[Kelly Rowland ]

How deep is your love, how deep does it go?  
How deep is your love, let's explore  
How deep is your love, how deep does it go?  
Cause mine run down to the ocean floor, ...whoa.

[Sean Paul]

Well women are you want me want  
so just give me it , give it  
Girl me don't see no flight  
Girl you body is imagine  
Make me feel so high , my girl  
You make me want in time my world  
And girl you now try ask me my reveal  
But was spill you make you now differ this real  
You are a magnet , I am a steel  
Strong connection , me know you feel it  
So make me seal it.

[Kelly Rowland]

How deep is your love, how deep does it go?  
How deep is your love, let's explore  
How deep is your love, how deep does it go?  
Cause mine run down to the ocean floor, ...whoa.

Say, I don't want to be your home girl  
I don't want to be your cool friend  
I don't want to be that chick  
that you call in the middle of the night  
to share your bed with  
say, I don't want to be your girlfriend  
I wanna be your best friend  
I wanna ever love you  
Cause boy I love you  
How do you feel about me  
Tell me !

[Sean Paul]

Full Heart From The Start Girl !!!

How deep is your love, how deep does it go?

How deep is your love, let's explore  
How deep is your love, how deep does it go?  
Cause mine run down to the ocean floor, ...whoa.

How deeps is your love, how deep does it go?  
How deep is your love, let's explore  
How deeps is your love, how deep does it go?  
Cause mine run down to the ocean floor, ...whoa.

Down To the ocean floor

....

Deep as in the ocean  
Deep as in the sea  
You and me girl ....
