

Sean Paul, Young World

(So youth man...) Slow up unnu roll (ROLL!)
It's not all that glitters is gold so don't lose control
It's all you're living it so cold (COLD)
Too much of thaaaaat, why?!
Slow up unnu roll (ROLL!)
It's not all that glitters is gold so don't lose control
It's all you're living it so cold (COLD)
Give life a tryyyyyy...

CHORUS

So young world, tings crazy
Time short inna life don't waste it
Any dream whe yuh got, yuh cyan chase it
It's your time to change de world now
And young world, just pace it
Tek time, enjoy, embrace it
Any fear whe yuh have, yuh cyan face it
It's your time to change de world

VERSE 1

To all de youths of modern time
Mi come fi give yuh likkle truth inna modern rime
Clear yuh mind, mek I give it to you line for line
Everyting yuh searchin, yuh shall surely find
Pause, praise Jah and left de rest behind
And when yuh buck up evil, mi a tell unno don't join
Flesh is weak, everyday wi can see di sign
Worldwide corruption and governmental crime

CHORUS

So young world, tings crazy
Time short inna life don't waste it
Any dream whe yuh got, yuh cyan chase it
It's your time to change de world now
And young world, just pace it
Tek time, enjoy, embrace it
Any fear whe yuh have, yuh cyan face it
It's your time to change de world

VERSE 2

Destiny, dat is in di makin
But yuh don't have to use fraudin and fakin
Dat only gonna end up inna discreasin
Slang dyinin in a street and have yuh ma' heart breakin
Cauh badness will tek yuh bad places
Have yuh end up inna di court house and court cases
Mek yuh end up inna di jail outta the worst places
Or yuh dung inna morgue carry u chest a pieces so....

(So youth man...) Slow up unnu roll (ROLL!)
It's not all that glitters is gold so don't lose control
It's all you're living it so cold (COLD)
Too much of thaaaaat, why?!
Slow up unnu roll (ROLL!)
It's not all that glitters is gold so don't lose control
It's all you're living it so cold (COLD)
Give life a tryyyyyy...

CHORUS

So young world, tings crazy
Time short inna life don't waste it
Any dream whe yuh got, yuh cyan chase it
It's your time to change de world now
And young world, just pace it
Tek time, enjoy, embrace it
Any fear whe yuh have, yuh cyan face it
It's your time to change de world
It's your time to change de world
Don't yuh wanna change de world
It's your time to change de world

Though yuh still got lots to learn
It's your time to change de world
Don't yuh wanna change de world
It's your time to change de world
Young world
