

Seanchai, Wake Up Irish Man

Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Sectarian hatred me no understand!

First of all we must integrate
Respect each other, decide our own fate
Marvin Gaye said only love can conquer hate
Send the soldier boy home peace can never come late

Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Sectarian hatred me no understand!

Protestant brothers I have but one plea
Look around you what do you see
Glenbryn, Ardoyne the same poverty
And when you head for London they call you Paddy
Paddy over here! Paddy over there!
No Irish, blacks, or dogs gonna get a room here
Overcome your fear, your head will get clear
The voice of reason you'll be able to hear
When you

Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Sectarian hatred me no understand

Let the Englishman rule the English nation
Let the bishop man rule the church
Give the Irishman self determination
That's the only way that things are gonna work

Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Wake up! Wake up! Wake up Irishman!
Sectarian hatred me no understand!
Me no understand
Me no understand....
