

Seatrain, I'm Willin'

I've been warped by the rain
Driven by the snow
I'm drunk and dirty, and don't you know
That I'm still, yes I'm still...

I ride the highway, late at night
I see my pretty Alice, in every headlight
Alice... Alice, Alice

[Chorus]

I've been from Tuscon to Tucumcari
Tehachapi to Tonapah
I've driven every kind of truck that's ever been made
I've even rode the backroads so I wouldn't get weighed
If you give me weed, whites, and wine
Show me a sign, and I'll be willin' to keep on movin' (yeah)

I've been kicked by the wind
Driven by the sea
Had my head stove in
But I'm still on my feet
And I'm still, yes I'm still...

I smuggled smoke from Mexico
I get baked by the sun, every time I go to Mexico
Yes I'm willin'!

And I've been from Tuscon to Mexicali
Tehachapi to Tonapah
I've driven every kind of rig that's ever been made
I've even rode the backroads so I wouldn't get weighed
If you give me weed, whites, and wine
Show me a sign, and I'll be willin' to keep on movin' (movin', movin')

And I've been from Tuscon to Mexicali
Tehachapi to Tonapah
I've driven every kind of rig that's ever been made
I've even rode the backroads so I wouldn't get weighed
If you give me weed, whites, and wine
Show me a sign, and I'll be willin' to keep on movin' (yeah)
