

# Sebadoh, Colorblind

Time to fake a miracle, memorized emotion  
Memorize lullaby; changin' the arranged deal  
Tell me every reason why, cradle my confusion  
Memorize lullaby; changin' the arranged deal  
I wish we were colorblind, we could heal ourselves  
I wish we were colorblind  
I wish I were invisible, I'd sink into myself  
Black and white and beautiful  
Why'd they make it ugly?  
Crackers in their camouflage, headin' for the hills  
Now it's time to close your mind cuz Mother Nature tells you to  
I wish we were colorblind, we could heal ourself  
I wish we were colorblind, kept it to ourself  
Colorblind, lullaby, haunted til I'm pacified  
Think it to myself  
I wish we were colorblind, we could heal ourself  
I wish we were colorblind and kept it to ourself  
Colorblind, lullaby, hold me til I'm pacified  
Singing to myself
