

Sebadoh, Made Real

Made real the time, it's a wonder at all
Creature's ears up to the wall
Fold it over, try to get it inside
I like to shake for awhile
Watch as it flails like a Burning Man
Try to catch me if you can
Catch me if you can
Got some, a vicious sight
I hate the day & I love the night
Got some and my woman is tight
I fuckin' hate the day and I love the night
