## Sebadoh, New Worship

There's a lie we've been living through
Think you're all alone, it's not quite true
No one cares, cuz no one should
Everything you see was meant to be misunderstood
Safe & Double of the way of the we've was meant to be misunderstood
Safe & Double of the way of the we've was meant to be misunderstood
Safe & Double of the we've been living through
There's a lie we've been living herough
No one cares, cuz no one should
Everything you see was meant to be misunderstood
Safe & Double of the we've been living through
There's a lie we've been living through
There's a
