

Sebadoh, Punch In The Nose

Well I'm acting like a guy who just knows
Cuz I'm lookin' for a punch in the nose
I'm just lookin' for a punch in the nose
You can be my best friend
Or at least you can pretend
I'm not lookin' for a punch in the nose
If I say everything stinks
It's 'cuz I'm bobbling for my own link
Pray not lookin' for a punch in the nose (?)
I'm not lookin' for a punch in the nose
