

# Sebadoh, Renaissance Man

Post-hardcore, pre-apocalyptic, science-fiction, drone-loving  
Renaissance Man  
Oh, what is true? What is real?  
No bullshit, brother  
Pot-smokin' Renaissance Man  
Wasted effort to stand up  
Real things happen when you're down  
Soulcore worship, whirling sound  
Brother, make a list, pierce your dick  
Future tribal-thought & rebel, greedy Renaissance Man  
Backbeat bloody conviction  
Power-sludge storm suckin' down  
Violence is cool, one of two things real  
Violence is free for all; live for revenge, ideal  
Don't wimp out; kill the pig  
There is no doubt; kill the pig  
Post-hardcore, hardass, intellectual  
Drone-loving Renaissance Man
