

# Sebadoh, Slightest Suggestion

Many mistakes will wait to be made  
Has one more ruined its life today?  
Torn down wide by the slightest suggestion  
Never believe in the perfect protection  
There's no peace anywhere, it's decided  
I don't know what I'm gonna do  
Never find peace in anything I can say  
One more ruined its life today  
Insisting on, depending on impossible confusion  
The last attack on this delicate illusion  
And I don't know what I'm gonna do
