## Second Coming, Electric Head

Electric head Dizzy and red I think I'm on but then I'm stupid again I wish I could keep that style Such a perfect style Then maybe chicks will dig me again

Yeah, I'd like to keep that style A perfect head to let me get Back wild

Surface to blue The dead is in you My minutes are 2 so let me Get some I wish I could keep your face Such a perfect face Then maybe God will dig me again

If it's all the same to you I give up I've never seen you in my life Does it hurt to see my pictures You can thank that no good wife of your Divorce? Of course!
