

# Secondhand Serenade, Twist in My Story

Slow down, the world isn't watching us break down  
It's safe to say we are alone now, we're alone now  
Not a whisper, the only noise is the receiver  
I'm counting the seconds until you break the silence  
So please just break the silence  
The whispers turn to shouting  
The shouting turns to tears  
Your tears turn into laughter  
And it takes away our fears  
So you see, this world doesn't matter to me  
I'll give up all I had just to breathe  
The same air as you till the day that I die  
I can't take my eyes off of you  
And I'm longing, for words to describe how I'm feeling  
I'm feeling inspired  
My world just flip turned upside down  
It turns around, say what's that sound  
It's my heart beat, it's getting much louder  
My heart beat, is stronger than ever  
I'm feeling so alive, I'm feeling so alive  
My whispers turn to shouting  
The shouting turns to tears  
Your tears turn into laughter  
And it takes away our fears  
So you see, this world doesn't matter to me  
I'll give up all I had just to breathe  
The same air as you till the day that I die  
I can't take my eyes off of you  
I'm finally waking up, a twist in my story  
It's time I open up, and let your love right through me  
I'm finally waking up, a twist in my story  
It's time I open up, and let your love right through me  
That's what you get  
When you see your life in someone else's eyes  
That's what you get, that's what you get  
So you see, this world doesn't matter to me  
I'll give up all I had just to breathe  
The same air as you till the day that I die  
I can't take my eyes off of you  
So you see, This world doesn't matter to me  
I'll give up all I had just to breathe  
The same air as you till the day that I die  
I can't take my eyes off of you
