Secret Garden, Sleep Song

Lay down you head and I'll sing you a lullaby Back to the years of loo-li lai-lay And I`ll sing you to sleep and I`ll sing you tomorrow Bless you with love for the road that you go May you sail far to the far fields of fortune With diamonds and pearls at your head and your feet And may you need never to banish misfortune May you find kindness in all that you meet May there always be angels to watch over you To guide you each step of the way To guard you and keep you safe from all harm Loo-li, loo-li, lai-lay May you bring love and may you bring happiness Be loved in return to the end of your days Now fall off to sleep, I'm not meaning to keep you I`ll just sit for a while and sing loo-li, lay, lay May there always be angels to watch over you To guide you each step of the way To guard you and keep you safe from all harm Loo-li, loo-li, lai-lay Loo-li, loo-li, lai-lay
