

Secret Service, When The Night Closes In

Let us take a walk in the citylights

'Cause this night is right and time is tight.
Come and take my hand
put your cigarette out

I would like to know all about you.

A few blocks from here is a boulevard
Where we can find a late night cafe.
We got everything to win when
the night closes in.

Let me dry your tears
I know what you've been through

But baby
feel no fear
I've been through it
too.
So just take my hand
take a chance on me

This night belongs to us - you and me.

A few blocks from here is a boulevard . . .

We got everything to win when
the night closes in.
When the night closes in - when
the night closes in.
