

# Seduced, Good 2 B

You sure do, look real fine  
Definitely, gonna make you mine  
Now don't be, so shy  
Just light my fire, with your eyes  
Come on over, let me see  
Just how much you, crave for me  
Give in, to me, go ahead and set me free

Oh yes, it's good to be the queen, oe la la  
Oh yes, it's good to be your queen, oe la la  
The sweetest thing i've ever seen, oe la la  
Mais Oui, it's good to be your queen

Take me, real high  
Finally, feed my desire  
Don't be, so shy  
Just light my fire, with your eyes  
Come on over, feel the heat  
Let surrender, to this beat  
Give in, to me, go ahead and set me free

Oh yes, it's good to be the queen, oe la la  
Oh yes, it's good to be your queen, oe la la  
The sweetest thing i've ever seen, oe la la  
Mais Oui, it's good to be your queen, oe la la

Oe la la la  
Oe la la la  
It's good to be your queen  
It's good to be

Oe la la la  
Oe la la la  
It's good to be your queen  
It's good to be yours

Give in, to me  
Go ahead and set me free (\*2)

Yeah, Yeah

Oh la la  
It's good to be yours

Oh la la  
It's good to be the queen

Oh la la  
Mais oui, it's good to be your queen

Oh yes, it's good to be the queen, oh la la  
Oh yes, it's good to be your queen, oh la la  
The sweetest thing i've ever seen, oh la la  
Mais oui, it's good to be your queen, oh la la

Oh la la la  
Oh la la la  
It's good to be your queen  
It's good to be

Oh la la la  
Oh la la la  
It's good to be your queen  
It's good to be yours
