

See Spot Run, Ilona

Got an email today
From a girl that's lost her way
And now she wants to play with me
Well I don't know what to say
What does it matter anyway
She just wants a place to be

I held my hand out
But I don't know why
No, I don't know why
What did I say to lead her

Hey Ilona
I can't help but wonder how

Did you know
I'd lose my will and give in to you
In to you

Well I kinda derailed today
Off the track along the way
And now I'm gonna pave you through
While I'm turning shades of grey
You pass along the candy tray
Will I make it through the day with you
